

THE THREE WISHES

One day a little girl called Isabelle went out to plant her flower seeds with her annoying brother Teddy, in their garden.

Isabelle started digging in the soil and Teddy was just throwing mud everywhere! “stop it” Isabelle shouted at Teddy. Teddy didn’t stop and kept throwing more and more of the mud.

Isabelle tried to ignore him and just carried on digging making small holes for her seeds. “mum!” shouted Isabelle “Teddy is being annoying again!” Isabelle’s mum came out to the garden and told Teddy to go and get in the bath and wash all that mud off! Teddy looked grumpy and stomped off sticking his tongue out at Isabelle.

When Isabelle was digging, she noticed something shiny in the mud. She reached down and picked up a bracelet. She gave it a quick clean with some tissues and on the bracelet, it read 'you will get three wishes if you say this rhyme'. Isabelle was very excited and read the rhyme out loud:

“clean me carefully, make me shine, and you will see, the wishes that are inside me”

So, Isabelle’s first wish was she wanted her annoying brother to be turned into a frog. She waited for a few minutes, but nothing happened but then she heard a funny noise coming from the bathroom window. She looked up and out of the window jumped a large green slimy frog! It hopped over the fence into the neighbour’s pond! “yes” cried Isabelle “it worked!”

Isabelle’s mum called Teddy from the bathroom telling him to get back into the bath, but Teddy couldn’t because he was a frog! Isabelle was going to get into a lot of trouble if mum found out what she had done to her brother.

Isabelle climbed over the fence into the neighbour's garden and grabbed a long stick to try and get her brother out of the pond, but it didn't work. She grabbed a large shovel, but he kept hopping away. Teddy then jumped over Isabelle's head back into their garden, Isabelle followed Teddy quickly.

Isabelle could hear mum coming down the stairs, she was getting worried that she finds out Teddy was a frog!

Teddy jumped nearer and nearer and nearer to the back door, and Isabelle jumped and grabbed him quickly before mum came outside.

Isabelle quickly used her second wish to change Teddy back to normal "I wish my brother was back to his annoying self again" said Isabelle very quickly. It worked, the slimy frog slowly turned back into her annoying brother again. Mum ran outside shouting at Teddy telling him off for not doing what he was told. Isabelle just stood there watching feeling upset for her brother because it was her fault.

She decided to use her third wish on her mum forgetting what had happened so her brother wasn't in trouble. "I wish that my mum and brother could forgot everything that happened in the last half an hour!" She could see some sparkles around mum and Teddy's head for a few seconds then they started chatting about the bath again, yes it worked! Thought Isabelle.

She quickly put the bracelet back into the mud and covered it over so that someone else could find it another day.

Isabelle never went near the bracelet again and decided to be nice to her brother from now on, even if he was annoying.
